

Welcome to your DIGITAL BRIDAL PA

THIS PLANNER IS DESIGNED TO:

- This planner is designed to:
- Track your budget, RSVPs, vendors, and tasks digitally and seamlessly. Don't worry about all the random sticky notes anymore.
 - Generate timelines and checklists tailored to your ceremony style, season, and preferences.

- Act as your Digital Bridal PA with automations like:
 - What's Next Widget (shows overdue + upcoming tasks).
 - Dynamic Timeline Generator (auto-backfills your run sheet).
 - Vendor Spend Alerts (flashes if a category exceeds budget).
 - Dietary Tracker → Catering Summary.
 - Print My Day (one-click export for your run sheet + checklists).

QUICK START CHECKLIST

1. Go to the Settings Tab → enter your wedding date, ceremony subtype, and budget.
2. Fill in Guests Tab → RSVPs auto-feed into Seating + Catering.
3. Update Vendors Tab → payments auto-feed into Budget.
4. Explore the Dashboard for charts, alerts, and your "What's Next" overview.
5. When ready, click Print My Day to export a polished PDF.
